

# Simplified Acquisition Certification (SAC)-B Class Conversion to Federal Acquisition in Contracting (FAC-C) Classes

Training Completed	CON Training Requirements Met By SAC Training	CON Training/Objectives Needed	Next Steps and Additional Information
Basic Simplified Acquisition	CON 124 - Objectives 3 & 8 CON 170 - Objective 5 CON 090 - Objective 5	CON 124 – Objectives 1-2 & 4-7 CON 127 CLC 058 CLC 057 CON 170 – Objectives 1-4 & 6-19 FAC 031 FAC 023 CON 090 – Objectives 1-4 & 6-22	Current HHS SAC-B Certification holders will receive credit for CON 100 and CON 121 (CON 110) towards their FAC-C Level I certification. But they will also have to submit fulfillment request packages for the remaining FAC Courses for the level which they are applying. Additionally, there is NO FULFILLMENT available for the CLC and FAC online courses. Staff will have to complete before submitting their fulfillment request. None of the competencies in the SAC program map to the objectives in FAC-C Level II courses.
Advanced Simplified Acquisition	CON 124 - Objectives 3 & 8 CON 090 - Objectives 3 & 5		
Simplified Acquisition & Delegated Procurement Course	N/A		
Federal/HHS Appropriations Law	N/A		
CON 100 Shaping Smart Business Arrangements			
CON 121 Contract Planning			

Per HHS, SAC-B holders will receive FAC credit for CON 100 and CON 121 (30 hours). For the rest of the required FAC classes, staff must still meet the remaining FAC course objectives through fulfillment or via the FAC classes.
